

SHP Student Interns for Research and Scholarly Activities Application of Project Proposal Form

Instructions:

Please fill out the form and return via email to Michele Sisco (mcoral@shp.rutgers.edu) by **March 25, 2024**. Please fill each box to the right of each required field. If you are sending attachments, please ensure your contact information is added to all your forms.

Faculty Contact Information:

Date submitted:	March 25, 2024
Faculty Name:	Zhaomeng Niu
Department/Program:	Department of Health Informatics
Telephone number:	5093393076
E-mail:	zhaomeng.niu@rutgers.edu

Project Detail:

Project Title: (56 characters max)	Cancer prevention and control among Hispanics
Hypothesis:	Hypothesis: We will be able to identify factors and correlates associated with multiple health behaviors (e.g., healthy eating, skin examination, patient-provider communication), media use and technology use for health, and skin cancer prevention among Hispanics.
Description: (Include design, methodology, data collection, techniques, data analysis to be employed, evaluation and interpretation methodology for research component)	To investigate relationships among skin cancer risk and protection with Hispanic cultural values. Collect quantitative data (national survey) from Hispanic individuals in the US to identify cultural values and lifestyle factors related to their sun protection, skin self-examination, and their perceptions of a proposed mobile skin cancer intervention. Evaluation of the intervention includes preferences for the mobile platform, intervention title/logo, and intervention-related materials, such as texts and multimedia content.
Specific Student Responsibilities:	The student will assist the faculty member in the conduct of the faculty member’s multiple research studies. Among the key duties for this position are the following: responsible for providing research activities support to the faculty member, such as participants recruitment (contact participants), screening, and enrollment in accordance with federal, state and institutional guidelines, protocol development, data collection, various types of record

	keeping, assist in statistical analysis and data coding, conference presentation and manuscripts preparation, etc. Willing to help recruit participants from local fairs and gatherings (non-school settings), etc. Bilingual in English/Spanish is preferred.
Start / end date of project:	May 28-August 31, 2024 (Flexible start date)

Educational:

WHAT OTHER EDUCATIONAL OPPORTUNITIES ARE AVAILABLE TO STUDENTS? (e.g., journal club, seminars, clinic, rounds)	Seminars and workshops
WHERE DO YOU PLAN TO PRESENT OR PUBLISH THE FINDINGS WITH THE STUDENT? (e.g., national or state meetings, newsletter or journal, SHP poster day)	National or state meetings such as AACR/SBM, SHP poster day, or journals.

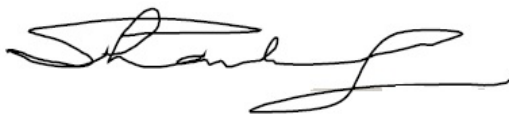

CHECK ALL APPROPRIATE BOXES BELOW AND PROVIDE REQUESTED INFORMATION.

This project is: clinical laboratory behavioral survey educational
 Other: please specify _____

This project involves the use of human subjects (including chart review, retrospective studies and questionnaires).

Pending Approved IRB Protocol Number: Pro2021001562__

IRB approval must be obtained by June 2024
