

# **Presentation Requirements**

## **2026 Student Research and Scholarship Symposium**

### **If selected:**

1. **Create a poster.** Please note that all posters should have the Rutgers SHP or RBHS logo in the upper left-hand corner and should be sized to fit 36 x 48 rectangle (36 inches tall and 48 inches wide). The sample templates provide a traditional format, but please feel free to add, delete or modify the outline provided. Additionally, you are not required to use this format and can take creative liberty in designing your own poster.
2. **Create recording of your presentation, with 3-5 slides on your project.** A sample template is provided. Instructions on best practices for recording are included.  
**You will be notified your recording limit at the time of the selection email.**
